

Visa for participating in a Language Course

This type of visa entitles only to participating in a German language course of at least 18 classes per week. A change in the purpose of stay or a visa extension for the time after finishing the course is not possible.

If the German course intended to prepare for university studies or professional training, a visa for studies or training has to be applied for. Please refer to the appropriate information sheets.

Please refer to our general information on long-term stays in Germany that complement this information.

An application for this type of visa can only be made if an appointment was booked in the correct appointment category. The booking can only be made through the [Embassy's website](#) in the category "National Visa (Long Term)" and then "National Visa - long term visa (duration of stay more than 90 days)".

The application takes place at the
Visa Section – German Embassy in Nairobi
113, Riverside Drive
P. O. Box 30180
00100 Nairobi
Mail: visainfo@nair.diplo.de

This and all other information leaflets of the Embassy are free of charge, as are all application forms.

All visa documentation has to be handed in as an **original with 2 copies**, unless stated otherwise, so that two complete, identical sets of application documents are handed in.
Please sort your documents in the order in which they appear on this information.

The Embassy reserves the right to request further documents if considered necessary.

Incomplete application forms and applications with incomplete documents cause delays in processing your application and can cause a rejection of your application.

A list of necessary documents for a complete application can be found on page 2.

This fact sheet reflects the legal situation at the time of drafting it. It is regularly updated but makes no claim to be complete. Authoritative version of the fact sheet is the German version.
